

SUNDAY COLLECTION FOR RED CROSS.

The collection of Trinity Church Sunday will be devoted to the Red Cross work.

When this is stated, it does not mean that the people should be apathetic about the matter, for it is the one big thought of the country, providing for those we send abroad, away from home and friends, lying wounded in temporary hospitals, and perhaps dying without hearing a familiar voice.

Your boy will probably not go, but some other woman's son will, and in these days you are "your brother's keeper" and everyone must do an equal share in the great fight that America alone must wage.

Let everyone, man, woman and child, attend these services and be prepared with the "widow's mite," if nothing more, for in the offering of the poor there is much rejoicing in Heaven.

LADIES! LOOK YOUNG, DARKEN GRAY HAIR

Use the Old-time Sage Tea and Sulphur and Nobody will Know.

Gray hair, however handsome, denotes advancing age. We all know the advantages of a youthful appearance. Your hair is your charm. It makes or mars the face. When it fades, turns gray and looks streaked, just a few applications of Sage Tea and Sulphur enhances its appearance a hundred-fold.

Don't stay gray! Look young! Either prepare the recipe at home or get from any drug store a 50-cent bottle of "Wyeth's Sage and Sulphur Compound," which is merely the old-time recipe improved by the addition of other ingredients. Thousands of folks recommend this ready-to-use preparation, because it darkens the hair beautifully, besides no one can possibly tell, as it darkens so naturally and evenly. You moisten a sponge or soft brush with it, drawing this through the hair, taking one small strand at a time. By morning the gray hair disappears; after another application or two, its natural color is restored and it becomes thick, glossy and lustrous, and you appear years younger.

Wyeth's Sage and Sulphur Compound is a delightful toilet requisite. It is not intended for the cure, mitigation or prevention of disease.

Pains, Dizzy Spells

Mrs. G. P. Cartwright, of Whitwell, Tenn., writes: "I suffered with bearing-down pains. . . The dizzy spells got so bad that when I would start to walk, I would just pretty nearly fall. Was very much run-down. I told my husband I thought Cardui would help me. . . He got me a bottle. . . It helped me so much that he got me another bottle. I got a whole lot better. The dizzy spells and the bearing-down pains . . . left me entirely."

If you are weak and run-down, or suffer from womanly pains,

TAKE
